INTERNATIONAL MINING

Strategic Mining Solutions. Global Reach.

BUILDING TOMORROW.
RESTORING LEGACIES.

A STRATEGIC MINING SOLUTIONS PARTNER

MSF INTERNATIONAL MINING is a global sourcing and mining solutions partner, delivering critical equipment, components, and operational support to mining operations across Africa and international markets.

With over 15 years of industry experience, MSF has established itself as a trusted partner known for:

DELIVERING WHERE OTHERS FAIL

SOURCING WHAT OTHERS CANNOT

**OPERATING WITH SPEED,
PRECISION, AND RELIABILITY**

We do not operate as a traditional supplier.

We identify operational gaps, solve procurement challenges, and ensure continuity where downtime is not an option.

MATTHEW FOURIE

CEO | MSF INTERNATIONAL MINING

Matthew Fourie leads MSF INTERNATIONAL MINING with a clear mandate — to build one of Africa's most trusted and capable mining solutions partners.

Under his leadership, MSF has evolved beyond sourcing into a strategic operational partner, supporting procurement, logistics, and project execution across demanding mining environments.

His leadership is defined by:

SPEED OF EXECUTION

OPERATIONAL RELIABILITY

ACCOUNTABILITY IN DELIVERY

Matthew is actively expanding MSF's footprint across Africa and international markets, positioning the company for long-term growth, strategic partnerships, and future participation in mining asset ownership.

CORE SOLUTIONS

RAPIDSOURCE™

Immediate sourcing of critical mining equipment and components.

If it exists — we find it.

EMERGENCY SUPPLY

Rapid response for breakdowns and urgent requirements.

When operations stop, we move.

PROJECT PROCUREMENT

End-to-end sourcing and coordination.

From requirement to delivery — handled.

TYRE CONTINUITY SOLUTIONS

Fleet uptime without interruption.

Keeping your fleet operational — always.

ONE PARTNER. COMPLETE SOLUTIONS.
